

05 - Follow Up Messages

Follow-up library for LinkedIn and email conversations.

Stage	Template
Follow-up 1	Hi [Name], just following up on my note below. We support façade teams with [relevant service]. Is this something that could be useful for [Company] at the moment?
Follow-up 2 with value	Hi [Name], one reason I reached out is [specific verified observation]. We can support with [service] on a project basis or as ongoing capacity. Happy to send a one-page overview if useful.
After no response to meeting request	Hi [Name], I appreciate you may be busy. I will leave this with you for now. If estimating / technical capacity becomes a pressure point, I would be glad to have a conversation.
Post-meeting follow-up	Hi [Name], thank you for your time today. My understanding is that the main requirement is [summary]. We will [agreed action] by [date]. I will also send [document / proposal] separately.
Proposal follow-up	Hi [Name], checking whether you had a chance to review the proposal. I am happy to clarify scope, turnaround or the commercial model and adjust the proposal around your priorities.
Nurture	Hi [Name], I thought of you because of [relevant verified trigger]. No action needed now, but if [specific need] becomes relevant, we would be happy to support.

Follow-up discipline

- Every follow-up must reference the previous context.
- Never pretend a message was sent, opened or discussed when that is not recorded.
- Use CRM next-follow-up dates rather than relying on memory.
- Escalate warm replies immediately to a human owner.
